

# Faculty

[Fakultät IA](#) [Fakultät EI](#) [Fakultät MB](#) [Fakultät MN](#) [Fakultät WM](#)

## Institutes, departments and study programmes

### IA

The Faculty of Computer Science and Automation is divided into five institutes:

- [Automatisierungs- and Systems Engineering](#)
- [Biomedizinische Engineering and Computer Science](#)
- [Praktische Computer science and media informatics](#)
- [Technische Computer science and engineering informatics](#)
- [Theoretische Computer science](#)

The institutes themselves are further subdivided into a total of 22 specialist areas, each of which is headed by a professor. Research focuses include the modelling, simulation and optimisation of dynamic systems, biomedical diagnosis and therapy procedures or assistance and service robots. Founded in 1990, the faculty has approx. 1200 students, approx. 130 employees and 20 professors. The following Bachelor's and Master's degree programmes are offered:

- [Biomedizinische Technology \(BMT or BT\)](#)
- [Informatik \(IN\)](#)
- [Ingenieurinformatik \(II\)](#)
- [Technische Cybernetics and Systems Theory \(TKS\)](#)
- [Research in Computer and System Engineering \(RCSE or RCS\)](#)

### MN

The „Faculty of Mathematics and Natural Sciences“ (MN) includes the following institutes:

- The [Institut for Chemistry and Biotechnology](#) with the Bachelor's degree programme in „Biotechnical Chemistry“ and the Master's degree programme of the same name.
- The [Institut for Mathematics](#) with the Bachelor's degree programme „Mathematics“ and the Master's degree programme „Mathematics and Business Mathematics“.
- The [Institut for Physics](#) with the Bachelor's degree programme „Technical Physics“ and the Master's degree programmes „Technical Physics“ and „Regenerative Energy Technology“.

# WM

The Faculty of Business, Economics and Media is organised into five institutes:

- Business Administration
- Economics
- Law
- Information Systems
- Media and communication science

and is responsible for the following Bachelor's and Master's degree programmes:

- [Angewandte Media and Communication Studies \(AMW\)](#) Bachelor)
- [Betriebswirtschaftslehre with a technical orientation \(TBWL\)](#) Bachelor)
- [Medienwirtschaft \(MW\)](#) Bachelor and Master)
- [Wirtschaftsinformatik \(WI\)](#) Bachelor and Master)
- [Wirtschaftsingenieurwesen](#) in the fields of electrical engineering and mechanical engineering (WIW) Bachelor and Master)
- [International Business Economics \(IBE\)](#) Master)
- [Media and Communication Science \(MCS\)](#) Master)

The institutes themselves are further subdivided into a total of 20 specialisms, each of which is each headed by a professor.

## Dean's Office

The Dean's Office consists of the Dean, Vice-Dean and Dean of Studies. The Dean heads the faculty and decides on all faculty matters that are not expressly assigned to the Faculty Council. The Vice Dean supports the Dean in his duties and tasks and represents him in his absence. The Dean of Studies fulfils the tasks associated with teaching and studies within the scope of the Dean's overall responsibility.

## Faculty Council (FakRat)

The Faculty Council is the highest decision-making body of each faculty. It decides on the funds available to the faculty. It also deals with the Faculty's study regulations as well as the examination and doctoral regulations. Among the 13 members with voting rights are two students with voting rights and two advisory student members.

## Study Commission (SK)

The Study Commission is a committee of the Faculty Council. It deals with issues relating to the appropriate organisation and implementation of teaching. In addition, the Study Commission develops changes to the study regulations and the study programme based on the proposals of the study programme commissions

## Study Programme Commission (SGK)

For each degree programme, there is a degree programme commission that deals with the creation of and changes to the study documents. The members are appointed by the Faculty Council of the respective faculty.

## Examination board

There is one examination board for each degree programme. The members are elected by the Faculty Council. The examination board has at least five members, whereby the professors have the majority and at least one student and one member of staff from the faculty are represented.

## Examination Office

The Faculty's Examinations Office is responsible for all student matters relating to examination administration, internship processing and issuing certificates. The staff will be happy to advise you on organisational issues relating to your studies or questions about examination law.

## IA

The office of the [Prüfungsamtes](#) can be found in room 2080 (1st floor, corridor F) in the Zusebau.

## E-mail distribution list

An e-mail distribution list has been set up for students of the Faculty of Computer Science and Automation, through which you will receive short-term notifications, such as information on examination matters and study organisation or notifications about room and time changes. As the emails are sent on a programme-related basis, you may also receive information intended for other semesters.

Students can also use these addresses to distribute study-related information or make enquiries to fellow students. For example, if you want to form a study group or are looking for fellow students for group work.
