2.2 Faculty

Fakultät IA

Website

The Faculty of Computer Science and Automation is divided into five institutes:

- Automatisierungs- and Systems Engineering
- Biomedizinische Engineering and Computer Science
- Praktische Computer Science and Media Informatics
- Technische Computer Science and Engineering Informatics
- Theoretische Computer Science

The institutes themselves are further subdivided into a total of 22 subject areas, each headed by a professor. Research focuses on modelling, simulation and optimisation of dynamic systems, biomedical diagnosis and therapy methods or assistance and service robots, among others. The faculty, founded in 1990, has about 1200 students, about 130 staff members and 20 professors. The following Bachelor's and Master's degree programmes are offered:

- Biomedizinische Technology (**BMT** or **BT**)
- Informatik (**IN**)
- Ingenieurinformatik (**II**)
- Technische Cybernetics and systems theory (**TKS**)
- Research in Computer and System Engineering (**RCSE** or **RCS**)

Examination Office

The Prüfungsamt of the faculty is responsible for all student concerns in connection with exam administration, internship processing and the issuing of certificates. The staff will be happy to advise you on organisational matters or questions about examination law.

Dean's office

The Dekanat consists of the Dean, the Associate Dean and the Dean of Studies. The Dean leads the Faculty and decides on all matters of the Faculty that are not expressly assigned to the Faculty Council. The Associate Dean supports the Dean in his duties and tasks and represents him in his absence. The Dean of Studies performs the tasks related to teaching and studies within the framework of the Dean's overall responsibility.

Dean	Prof. Dr.-Ing. habil. Armin Zimmermann
Associate Dean	Prof. Dr.-Ing. Johann Reger

Dean of Studies	Prof. Dr. Dietrich Kuske

Student advisory service

You can contact the subject advisory service if you have questions about the content of your degree programme, be it information about the specialisations or topics in internships or theses.

BMT	Dr.-Ing. Marko Helbig
IN	Prof. Dr. Dietrich Kuske
II	Prof. Dr.-Ing. habil. Daniel Ziener
RCSE	Prof. Dr.-Ing. Patrick Mäder
TKS	Prof. Dr.-Ing. Johann Reger

E-mail distribution list

For students of the Faculty of Computer Science and Automation, e-mail distribution lists have been set up, through which you will receive short-term notifications, such as information about examination matters and the organisation of studies or notifications about room and time changes. Since the e-mails are sent out according to the degree programme, you may also receive information that is intended for other semesters.

Students can also use these addresses to distribute information relevant to their studies or to make enquiries to fellow students. For example, if you want to form a study group or are looking for fellow students for group work.

BMT	bachelor-bmt@tu-ilmenau.de
IN	bachelor-in@tu-ilmenau.de
II	bachelor-ii@tu-ilmenau.de
TKS	bachelor-tks@tu-ilmenau.de
