Student Representative Council (FSR)

Each of the five faculties of the TU Ilmenau has a Student Representative Council (FSR), which represents the interests of the students towards the faculty. We are the Student Council for the Faculty of Computer Science and Automation. In addition to the eight students elected for one year, the FSR consists of many other active members.

You can also visit us at a meeting at any time and become an active member yourself or stand for the next election. Don't worry, we don't bite, and we always welcome all guests :)

Tasks

- Representing the students of the faculty
- Individual counselling and support for your questions and problems
- Anonymous conflict resolution between you and university employees
- The organisation of events and excursions such as the St. Nicholas lecture.
- The selection of your tutors
