Mentors

Your mentor will support you in addition to your tutors later on in your degree programme. Your mentor is a research assistant at the faculty and has often studied at TU Ilmenau themselves. They can help you with the following questions, for example:

- General information about studying and the organisation of your studies
- Choice of modules and specialisations
- Choosing and writing a Bachelor's thesis
- Questions about what comes after graduation and what you can do with your degree
- Choosing an internship
