Übersicht About the committees at the TU Ilmenau

Studierendenrat (StuRa)

The Studierendenrat (StuRa) is the representative body of the students of the TU Ilmenau elected by you. It represents the students vis-à-vis the university, the city, the state and the federal government and communicates with many committees of our university.

Since the work of the StuRa extends over many areas of work, it is also subdivided into various Referate and working groups. You can find a presentation of our student committees and their members on our website.

If you have questions about studying and campus life or would like to contribute ideas, we would be happy to hear from you personally or by email.

Fachschaftsrat (FSR)

At each of the five faculties of the TU Ilmenau there is a Student Representative Council (FSR), which represents the interests of the students towards the faculty. We are the student council for the Faculty of Computer Science and Automation. In addition to the eight students elected for one year, the FSR consists of many other active members.

You can also visit us at a meeting at any time and become an active member yourself or stand for the next election. Don't worry, we don't bite, and we always welcome all guests :)

Tasks

- Representing the students of the faculty
- Individual counselling and support for your questions and problems
- Anonymous conflict resolution between you and university employees
- The organisation of events and excursions such as the St. Nicholas lecture.
- The selection of your tutors
