Infos for students (City of Ilmenau) Wohnheime (Student Union)

Housing search

If you have not yet found a flat or room, you can either apply directly to the Wohnungsbaugenossenschaft Ilmenau (WBG) or the housing and Ilmenauer Wohnungs- und Gebäudegesellschaft (IWG) or on the relevant platforms such as wg-gesucht.de or immowelt.de. For the transition, there is a student residence at Stollen in Ilmenau Jugendherberge and the Studierendenwerk offers rooms for Kurzzeitvermietung rooms.

Registration (Residents' Registration Office)

When moving to or relocating to Ilmenau, you must register within **two weeks** at the residents' registration office. However, a slight delay is usually not too bad. If you do not re-register, in the worst case you will have to pay a fine.
