Infos for students (City of Ilmenau) Wohnheime (Student Union)

Flat hunting

If you haven't found a flat or room yet, you can either apply directly at the Wohnungsbaugenossenschaft Ilmenau (WBG) or the Ilmenauer Wohnungs- und Gebäudegesellschaft (IWG) or on the relevant platforms, e.g. wg-gesucht.de or </ignore>immowelt.de. For the transitional period, there is an Jugendherberge and the Studierendenwerk offers rooms for Kurzzeitvermietung offered.

Registration (Einwohnermeldeamt)

When you move to or within Ilmenau, you must register within **two weeks** at the Residents' Registration Office (Einwohnermeldeamt). A slight delay is not usually a problem. If you do not re-register, in the worst case you will have to pay an administrative fine.
